An act to amend Section 1182.12 of the Labor Code, relating to wages.

LEGISLATIVE COUNSEL'S DIGEST

SB 935, as amended, Leno. Minimum wage: annual adjustment.

Existing law requires that, on and after July 1, 2014, the minimum wage for all industries be not less than \$9 per hour. Existing law further increases the minimum wage, on and after January 1, 2016, to not less than \$10 per hour.

This bill would increase the minimum wage, on and after January 1, 2015, to not less than \$11 per hour, on and after January 1, 2016, to not less than \$12 per hour, and on and after January 1, 2017, to not less than \$13 per hour. The bill would ~~further increase~~ *require the automatic adjustment of* the minimum wage annually thereafter, to maintain employee purchasing ~~power~~. *power diminished by the rate of inflation during the previous year.* The ~~automatically adjusted minimum wage adjustment~~ would be calculated using the California Consumer Price Index, as specified. The bill would prohibit the Industrial Welfare Commission (IWC) from ~~adjusting~~ *reducing* the minimum wage ~~downward~~ and from adjusting the minimum wage if the average percentage of inflation for the previous year was negative. The bill would require the ~~Industrial Welfare Commission~~ *IWC* to publicize the automatically adjusted minimum wage.

The bill would provide that its provisions not be construed to preclude ~~an increase in the IWC from increasing~~ the minimum wage to an amount greater than the ~~formula calculation would provide, to result in a reduction in the minimum wage, provide~~ or to preclude or supersede an increase of the minimum wage that is greater than the state minimum wage by any local government or tribal government.

The bill would apply to all industries, including public and private employment.
